List any other courses you have taken that you believe would make you better prepared for the internship, along with the grade if the course has already been taken. This can include courses outside of your major.

Course Number	Title	Semester Taken	Grade

Essay

On a separate sheet, write a brief personal statement (maximum of one typed page double-spaced) that addresses the following questions:

1. What are your goals for a Washington internship? Try to identify as specifically as possible what you would like to learn from the experience.
2. What experiences, training or activities have been exposed to which would help qualify you for the internship position you seek?
3. How would a Washington internship fit into your long-term professional plan?

Note: This essay is an important part of the application process. It should be neatly typed, proofread and thoughtfully written. In addition to substance, it will be judged on grammatical elements.
