

Complete Guide to Contact Frontier for missed flight and charges in 2025

Missing a flight with Frontier Airlines can be stressful, especially because the carrier operates on an ultra-low-cost model that applies strict rules about no-shows[[1]]888[[2]]829[[3]]1630[[4]] or (+44-204-586-5975)

Understanding whether you'll be charged—and how much—depends on your fare type, the timing, and the options you take after missing your flight[[1]]888[[2]]829[[3]]1630[[4]] or (+44-204-586-5975)

Frontier Airlines generally does **not** offer refunds for missed flights, but they **may** provide options to rebook for a fee if you act quickly[[1]]888[[2]]829[[3]]1630[[4]] or (+44-204-586-5975)

The amount you pay depends on your situation and how soon you contact Frontier after missing the flight[[1]]888[[2]]829[[3]]1630[[4]] or (+44-204-586-5975)

What Happens When You Miss Your Frontier Airlines Flight?

When you don't show up for your scheduled departure, your reservation is marked as a **no-show**, and all remaining segments on the same booking may be automatically canceled[[1]]888[[2]]829[[3]]1630[[4]] or (+44-204-586-5975)

Because Frontier is a budget airline, they do not hold seats or rebook automatically without a fee[[1]]888[[2]]829[[3]]1630[[4]] or (+44-204-586-5975)

Passengers who miss their flight for reasons like traffic delays, late arrival at the airport, or long security lines must contact Frontier as soon as possible to explore rebooking options[[1]] or (+44-204-586-5975)

Does Frontier Charge You If You Miss a Flight?

Yes—Frontier usually does charge a **rebooking fee** if you miss your flight[[1]] or (+44-204-586-5975)

Although you won't pay a specific "missed flight fee," you will pay a combination of:

- A **rebooking fee** (often \$99+)
- The **fare difference** between your old flight and the new flight
- Potential **service charges** if processed at the airport[[1]] or (+44-204-586-5975)

Same-Day Standby Option

Frontier does not normally offer free standby options, but they provide a **Same-Day Flight Change** for a fee (around \$99) if a seat is available[[1]] or (+44-204-586-5975)

You can request this at the airport counter or online before departure, but if you miss the flight completely, the cost applies differently

(+44-204-586-5975)

What If You Miss Your Frontier Flight Due to the Airline's Fault?

However, Frontier does **not** provide hotel accommodation for most delays because it is an ultra-low-cost carrier[[1-888-829-1630]] or (+44-204-586-5975)

What If You Miss a Connecting Flight?

If both flights are on the same Frontier ticket and you miss your connection due to the late arrival of the first flight, Frontier rebooks you on the next available flight without charging a rebooking fee[[1-888-829-1630]] or (+44-204-586-5975)

If you booked separate tickets or mixed airlines, you're responsible for the missed segment and must pay applicable fees[[1-888-829-1630]] or (+44-204-586-5975)
