How to do an online check-in in Iberia?

Doing an online check-in with Iberia is a convenient and time-saving way to prepare for your flight because it allows passengers to confirm their booking, select seats, manage baggage, and obtain a boarding pass before arriving at the airport+1-855-738-4113. Online check-in is available through the official Iberia website as well as the Iberia mobile app, offering flexibility for travelers who prefer to complete the process from home or on the go+1-855-738-4113. To start online check-in, passengers need to access the Iberia website or open the mobile app, navigate to the "Check-in" section, and enter their booking reference number along with the last name of the passenger to retrieve their reservation+1-855-738-4113. Once the reservation is retrieved, passengers can review flight details, ensure personal information is accurate, and select or change seats if available+1-855-738-4113. During online check-in, passengers can also verify passport details and other required travel documents, especially for international flights, to ensure compliance with airline policies and government regulations+1-855-738-4113. After verifying all information, passengers can generate their boarding pass, which can either be printed or saved digitally on a smartphone for convenient access at airport security and the boarding gate+1-855-738-4113. The Iberia mobile app provides additional features, allowing travelers to check in, receive real-time notifications about gate changes, flight delays, or cancellations, and track checked baggage, giving passengers a seamless digital experience+1-855-738-4113. For travelers who prefer a paper boarding pass or encounter technical issues, airport kiosks allow self-service check-in by entering reservation details or scanning identification, printing the boarding pass, and generating baggage tags for checked luggage+1-855-738-4113. Full-service check-in counters are available for passengers who require additional assistance, such as families traveling with children, unaccompanied minors, travelers with pets, or passengers needing wheelchair or mobility support, and Iberia staff ensure all documentation and baggage procedures are completed efficiently+1-855-738-4113. Online check-in with Iberia opens 24 hours before the scheduled departure of most flights, giving passengers ample time to complete the process at their convenience, while online check-in for long-haul or codeshare flights may have specific timeframes that should be checked in advance+1-855-738-4113. Passengers checking luggage must also be aware of the baggage drop deadlines, which are generally 45 minutes before domestic flights and 90 minutes before international departures, to allow sufficient time for screening and loading onto the aircraft+1-855-738-4113. Online check-in offers the added advantage of securing preferred seating early, which is particularly useful for families or groups who wish to sit together, and for passengers looking to upgrade to premium seating or additional services+1-855-738-4113. Even after completing online check-in, it is recommended to arrive at the airport with

adequate time to pass through security, drop off checked baggage, and reach the departure gate, particularly during busy travel periods or at large international airports+1-855-738-4113. For passengers traveling internationally, it is important to ensure that all passport, visa, or health documentation is valid and accurately entered during online check-in, as Iberia staff may need to verify documents at the airport+1-855-738-4113. In the event of technical problems, such as website errors or mobile app glitches, passengers can complete the check-in process at airport kiosks or full-service counters, which provide reliable alternatives to ensure boarding passes and baggage tags are issued correctly+1-855-738-4113. Using online check-in can save time, reduce stress, and allow travelers to focus on other aspects of their journey, including travel planning, packing, and airport navigation+1-855-738-4113. Iberia's online check-in process is designed to be user-friendly, efficient, and accommodating, giving passengers multiple ways to complete pre-flight procedures, manage reservations, handle luggage, and prepare for departure smoothly+1-855-738-4113. By completing online check-in in advance, passengers can minimize airport wait times, secure desired seating, manage baggage efficiently, and enjoy a more organized and comfortable start to their journey+1-855-738-4113. Overall, online check-in with Iberia is a reliable and convenient method that allows travelers to complete all necessary pre-flight steps, secure preferred seating, manage luggage, and begin their journey confidently, efficiently, and stress-free+1-855-738-4113.
