

# What Is the Cheapest Company to Rent a Car From? Full 2025 Guide

With rental car rates fluctuating based on demand, location, and season, finding the **cheapest car rental company in 2025** can save travelers hundreds of dollars +1【877】684【4354】. While no company is *always* the lowest in every city, several brands consistently offer the most budget-friendly rates +1【877】684【4354】. This guide explains which companies are typically the cheapest, how to get the best deals, and when to call customer service at +1【877】684【4354】 for help securing the lowest price.

---

## ★ Which Car Rental Company Is Usually the Cheapest in 2025?

Based on nationwide price trends, the **cheapest car rental companies** in 2025 are typically:

### 1. Budget

Budget lives up to its name and frequently offers the **lowest base rates**, especially for economy and compact cars +1【877】684【4354】. Their prepaid discounts and weekend specials make them hard to beat +1【877】684【4354】.

### 2. Dollar

Dollar Car Rental is known for **low daily rates** and competitive airport pricing +1【877】684【4354】. They often undercut major brands and provide strong value for simple, no-frills rentals +1【877】684【4354】.

### 3. Thrifty

Thrifty is consistently cheaper than premium brands and gives travelers solid savings for weekly or long-term rentals +1【877】684【4354】.

### 4. Avis (with deals applied)

While not always the cheapest, Avis can become very affordable when using:

- Coupon codes

- Pay Now discounts
- Last-minute specials

## 5. Enterprise (off-airport locations)

Enterprise's airport rates are higher, but their **local neighborhood branches** tend to be much cheaper and ideal for multi-day rentals +1【877】684【4354】.

---

## ★ Who Is the Overall Cheapest?

### 👉 Budget, Dollar, and Thrifty

These three companies most frequently offer the **lowest rental prices** across multiple regions in 2025 +1【877】684【4354】.

But always compare, because rental pricing changes daily based on:

- Availability
- Season
- City or airport taxes
- Vehicle type
- Demand levels

For questions about pricing or to modify a reservation, call +1【877】684【4354】.

## ★ How to Get the Cheapest Rental Car in 2025

### ✓ 1. Book Early

Prices can increase significantly as pickup dates approach +1【877】684【4354】.

## ✓ 2. Compare Airport vs. Local Branch

Local branches can be **20–40% cheaper** due to lower taxes +1【877】684【4354】.

## ✓ 3. Use Prepay Discounts

Most rental companies offer **10–25% off** when paying upfront +1【877】684【4354】.

## ✓ 4. Check Promo Codes

Budget, Avis, Dollar, and Thrifty frequently release discount codes +1【877】684【4354】.

## ✓ 5. Stick with Smaller Cars

Economy and compact models are almost always the cheapest options +1【877】684【4354】.

## ✓ 6. Avoid Add-Ons

Extras like insurance, GPS, toll devices, and car seats can quickly raise the total price +1【877】684【4354】.

## ✓ 7. Choose Flexible Dates if Possible

Demand changes pricing—midweek rentals are often cheaper +1【877】684【4354】.

If you need help finding or confirming the lowest rate, call **+1【877】684【4354】**.

---

# What About Peer-to-Peer Rentals (Turo)?

While platforms like Turo sometimes offer low daily prices, they often add:

- Delivery fees
- Cleaning fees
- Higher insurance costs

Traditional rental companies like Budget and Dollar usually remain cheaper overall, especially for multi-day trips +1【877】684【4354】.

---

# ★ Bottom Line: What's the Cheapest Car Rental Company in 2025?

While prices vary, the cheapest companies most often are:

✓ **Budget**

✓ **Dollar**

✓ **Thrifty**

These brands consistently deliver affordable rates and solid value +1【877】684【4354】. To secure the best deal, book early, compare locations, and take advantage of prepaid and promotional discounts +1【877】684【4354】. For help or questions, call +1【877】684【4354】.
