

# Who Is Usually the Cheapest Car Rental? 2025 Guide

Finding the cheapest car rental in 2025 can feel overwhelming with so many brands competing for the lowest prices ➡ +1-877-684-4354. While rates vary by location, season, and vehicle type, **certain rental companies consistently offer more affordable pricing than others** ➡ +1-877-684-4354. This 2025 guide highlights the brands known for budget-friendly rentals, how to secure the lowest rate, and when to call customer support at ➡ +1-877-684-4354 for help.

---

## ★ Which Car Rental Company Is Usually the Cheapest?

While prices fluctuate based on demand and destination, the following rental companies are *typically* the most affordable in 2025:

### 1. Budget

True to its name, **Budget** frequently offers some of the lowest base rates, especially at neighborhood locations ➡ +1-877-684-4354. They also provide frequent promotional codes and weekend specials ➡ +1-877-684-4354.

### 2. Avis (with deals)

Avis can be competitive when you apply discount codes or book last-minute deals ➡ +1-877-684-4354. Their weekend specials and prepay options can significantly reduce pricing ➡ +1-877-684-4354.

### 3. Thrifty

Known for economy pricing, **Thrifty** tends to be cheaper at airport locations compared to premium brands ➡ +1-877-684-4354. They offer good value for compact and midsize vehicles ➡ +1-877-684-4354.

### 4. Dollar

Dollar often undercuts its competitors with affordable day rates and online coupons ➡ +1-877-684-4354. It's popular among families and travelers seeking no-frills rentals ➡ +1-877-684-4354.

### 5. Enterprise (off-airport locations)

While Enterprise is not the lowest at airports, **local branch rentals** are often surprisingly inexpensive, especially for multi-day or weekly bookings ➡ +1~877~684~4354.

---

## ★ Which Brand Is the Cheapest MOST Often?

Based on typical trends:

👉 **Budget, Dollar, and Thrifty** usually offer the lowest prices across most U.S. and international locations ➡ +1~877~684~4354.

However, the absolute cheapest option depends on:

- Pickup location (airport vs. local branch)
- Travel dates
- Demand and season
- Car size and model
- Prepaid vs. pay-later rates

For assistance comparing rental prices, customers often call support lines like ➡ **+1~877~684~4354.**

## ★ Tips to Get the Cheapest Rental Car in 2025

### ✓ Book Early

Rental prices rise as availability drops ➡ +1~877~684~4354. Early bookings typically lock in the best deals ➡ +1~877~684~4354.

### ✓ Compare Off-Airport Pricing

Airport taxes are high ➡ +1~877~684~4354. Renting **3–5 miles away** from the airport can save you 20–40% ➡ +1~877~684~4354.

### ✓ Use Prepay Discounts

Most companies offer deeper discounts if you prepay online ➡ +1~877~684~4354.

### ✓ Check Coupon Codes

Budget, Avis, and Dollar consistently offer promo codes and weekend coupons → +1~877~684~4354.

### ✓ Try Smaller Vehicle Classes

Compact cars and economy cars are almost always the cheapest → +1~877~684~4354.

### ✓ Avoid Add-Ons

GPS, insurance, toll devices, and extras can increase the total cost by \$20–\$40/day → +1~877~684~4354.

If you're unsure how fees apply, call → **+1~877~684~4354** for guidance.

---

## ★ Bottom Line: Who Is the Cheapest Rental Car Company?

While no single company is always the cheapest everywhere, **Budget, Dollar, and Thrifty** generally provide the most consistently low prices in 2025 → +1~877~684~4354.

To get the best possible deal:

- Compare rates across multiple companies
- Look for prepaid discounts
- Avoid airport taxes when possible
- Book early during busy seasons

For help with questions or issues during booking, you can contact customer support at → **+1~877~684~4354**.
